

Grand Valley Dressage Society (GVDS) 2022 Youth Scholarship Program

Purpose

To increase the sport of dressage amongst younger riders, GVDS will offer financial assistance through a scholarship to eligible youth who demonstrate a commitment to horses, dressage and showing. Youth will be selected based on the scholarship criteria and within the timeframes outlined below. Scholarships will be awarded annually before the beginning of the show season.

Financial Assistance

Youth who are selected as a Scholarship Recipient will:

- Become a GVDS Associate when the scholarship is awarded. They will receive the standard GVDS Associate benefits. The value of the GVDS Associate benefit is \$50.
- Additional financial assistance for up to \$50 for each of the four (4) GVDS schooling shows can be used for show entry and show fees with a \$200/year maximum. Scholarship Recipients must enter the schooling show for which they are requesting financial assistance.
- For each show where the Scholarship Recipient is requesting financial aid, they are required to assist a minimum of two (2) hours performing any of the operational show activities shown in Approved Show Assistance section of this document. If the hours of assistance are not completed and confirmed by the Show Manager or Volunteer Coordinator at the completion of the show, any further financial assistance with show and entry fees will be unavailable to the Scholarship Recipient for the remainder of the show season.
- These assistance hours would be in addition to the number of volunteer hours required for year-end award eligibility. These additional volunteer hours can be completed by writing articles for the newsletter, preparing social media posts, soliciting sponsors, or assisting at clinics and events under the supervision of the GVDS applicable committee chairperson.

Prior horse show experience is not required but will be a consideration for the scholarship. The application
